Listen to the song and complete the lyrics with the missing words

I think I've found a girl that I can to
Yeah I think I've found a girl that just might replace you
She don't care if I got
And I remember the things she said
Yeah I think she will
Uh-huh

Oh, Don't you forget it
Oh, Don't you forget it

'Cause when the summertime your town
You know you ain't gonna find me around
I'll be out there to the sun
No I ain't gonna take no one
If you that you tied me down
Well girl it's high that you found
Only thing left for you to see
You'll never find man like me

I don't think I wanna hear about none of your
.....
You like to act like the only one who's ever got them
But I know you don't know
You're gonna reap just what you sow
You stole some of mine
Now it's time for you to go

Oh, Don't you forget it
Oh, Don't you forget it

Words I want to remember

Teacher's Copy-level A2

I think I've found a girl that I can talk to
Yeah I think I've found a girl that just might replace you
She don't care if I got bread
And I remember the things she said
Yeah I think she will do
Uh-huh

Oh, Don't you forget it
Oh, Don't you forget it

'Cause when the summertime leaves your town
You know you ain't gonna find me around
I'll be out there to follow the sun
No I ain't gonna take no one
If you thought that you tied me down
Well girl it's high time that you found
Only thing left for you to see
You'll never find another man like me

I don't think I wanna hear about none of your problems
You like to act like the only one who's ever got them
But I know something you don't know
You're gonna reap just what you sow
You stole some time of mine
Now it's time for you to go

Oh, Don't you forget it
Oh, Don't you forget it
