Listen to the song and complete the lyrics with the missing words

Hey Jude, don't make it
Take a sad song and make it better
Remember to let her into your heart
Then you can to make it better

Hey Jude, don't be afraid
You were to go out and get her
The minute you let her under your skin
Then you begin to make it better

And anytime you feel the hey Jude, refrain
Don't carry the world upon your shoulders
For well you know that it's a fool who it cool
By making his world a little colder

Hey Jude, don't let me
You have found her, now go and get her (let it out and let it in)
Remember to let her into your heart (hey Jude)
Then you canto make it better

So let it out and let it in hey Jude, begin
You're waiting for to perform with
And don't you know that it's just you, hey Jude you'll do
The movement you is on your shoulder

Hey Jude, don't make it
Take a sad song and make it better
Remember to let her under your skin
Then you'll begin to make it better
Better better better better better, ah!
Na, na, na, na-na-na na (Yeah, yeah, yeah, yeah, yeah)
