Watch the video and decide if the sentences are True or False.

1. Once upon a time there was a poor man with three sons. The oldest one was named Martin.
2. The father told the sons that they had to go and find some work.
3. He said he wanted them to come back in a year and bring him his new clothes.
4. At the huge tree there were three separate roads for each of the sons.
5. Martin reached a forest where he was approached by a huge frog.
6. Martin's only job would be to chop and saw wood.
7. A year later the frog offered him the reward for his work.
8. The two brothers were laughing because Martin's boss was a frog.
9. In summer their father asked them to go to work again and bring back some wine.
10. The frog gave him a barrel of wine.
11. Back home Martin's bottle wasn't running out of wine.
12. The three brothers began looking for wives and the frog told Martin that this task would be much more difficult.
13. The frog asked Martin to put him on top of the pile of wood and burn him.
14. Martin had to sweep all the frogs away from the fire.
15. He fell asleep being very sad.
16. When he woke up the next morning the frog had transformed into a princess.
17. The princess and Martin went to his house in a carriage pulled by six horses.
18. Martin gave his brothers lots of money and he became the king.

Now watch again and correct the False sentences.
