Listen to the song and complete the lyrics

Through the
To cool off in the shadows
Then the street
Following the water
There's a man
Paddling in his canoe
Looks as if he has
..... all the way from the Cayman Islands

These it seems
They all go in
Places look the same
And we're the only
The wind is in your hair
It's my view
I'm holding on to you
On a bike we've until tomorrow

If only they see
If only they had been here
They would
How someone could chosen
To go the I've gone
To spend just one day
Holding on to you
I never it would be this clear.

Write 3 sentences so that they are true for you. Start your sentences with "if only":

Listen to the song and complete the lyrics

Through the alleyways
To cool off in the shadows
Then into the street
Following the water
There's a bearded man
Paddling in his canoe
Looks as if he has
Come all the way from the Cayman Islands

These canals it seems
They all go in circles
Places look the same
And we're the only difference
The wind is in your hair
It's covering my view
I'm holding on to you
On a bike we've hired until tomorrow

If only they could see
If only they had been here
They would understand
How someone could have chosen
To go the length I've gone
To spend just one day riding
Holding on to you
I never thought it would be this clear.
